News

Can anyone stop this steamroller named Team 2? They extended their lead to 17 points and now appear to be a lock for 1st place in the 2nd half with only three weeks to go. Although it has been rumored that a few Team 4 members are claiming if Team 2 wins, the system is rigged. They had heard that Team 2 has been doubling and even tripling the scores of their opponents. And the handicapper is on Team 2 so who knows what manipulation he is doing to the cards after the fact! A member of team 4, not to be named, has asked for all league members to independently monitor the score keeping being done by team 2 the rest of the way to ensure they aren't rigging the system. Those 2nd amendment people are advised not to get violent or show any intimidation though.

Team 6 crushed Team 7 and worked their way back into 2nd place. With 3 weeks to go it looks like there are five teams still vying for that 2nd place position and a spot in the playoffs.

Team 9 continues to tank and beef up their handicaps for the upcoming Championship. A league inquiry is underway regarding this situation.

Arriving to the 19th early resulted in no stories of merit. It's getting to the point where almost all info is available on the website and our webmaster has essentially made the bully obsolete. I will be sending an email to distribution on whether to continue the bully next year if we add the low gross/net info on the web page. It will be like the 70's when there was a survey to keep or get rid of Andy Kaufman from SNL. I won't be offended.

Info should be coming out soon regarding the playoff dates and EOY tourney so stay tuned.

Notes:

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Wednesday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Wednesday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

Please pay attention to the rules of scoring matches when there is a Noah. Remember that the matches are one on one and the tick marks for handicaps need to be adjusted accordingly for each individual match. The league officers have listed this in the rules and the daily blast has mentioned this numerous times, even including examples of how to score and also suggesting that you go into the clubhouse, get two more cards and keep two scorecards, one for each match, so you won't be confused.

Pace of Play (Formerly Slow Play Watch):

Nothing significant to report (Sounds like most of your weekly highlights!)

Joke of the Week

Cell Call

There are several men in the locker room of a private club after finishing 18 holes. Suddenly a cell phone that was on one of the benches rings. A man picks it up and the following conversation ensues:

"Hello?" "Honey, It's me."

"Sugar!"

"Are you at the club?"

"Yes."

"Great! I am at the mall 2 blocks from where you are. I saw a beautiful mink coat... It is absolutely gorgeous!! Can I buy it?"

"What's the price?"

"Only \$1,500"

"Well, OK, go ahead and get it, if you like it that much..."

"Ahhh and I also stopped by the Mercedes dealership and saw the 2001 at a really good price ... and since we need to exchange the BMW that we bought last year..."

"What price did he quote you?"

"Only \$60,000..."

"OK, but for that price I want it with all the options."

"Great!, before we hang up, something else..."

"What?"

"It might look like a lot, but I was reconciling your bank account and...I stopped by the real estate agent this morning and I saw the house we had looked at last year ... it's on sale!! Remember? The one with a pool, English Garden, tennis court, acre of park area, beach front property..."

"How much are they asking?"

"Only \$1,450,000... a magnificent price, and I see that we have that much in the bank to cover..."

"Well, than go ahead and buy it, but just bid \$1,400,000. OK?"

"OK, sweetie... Thanks! I'll see you later!! I love you!!!"

"Bye... I do too..."

The man hangs up, closes the phone's flap and raises his hand while holding the phone and asks to all those present:

"Does anyone know who this phone belongs to?"
