

NUWC Golf Employees League Bulletin 2nd Half

Weeks #10

30 June, 2016

Team 9 defeated Team 4 to win the first half and secure their spot in the League Championship! Dale Dandrea showed his leadership as Captain by shooting a 39 and help his partner take 12 points from the Team 4 A squad. It probably helped that Gino decided to play as a C player that day by shooting over 50! With a delay in the B playoff though, luckily the Team 4C and D squads held their own and won both their matches leaving only a 1 point difference going into the B match. Donovan and Peter Lee started off strong but Brereton and Cirillo turned it on the rest of the way to secure the victory for Team 9! Congratulations to Team 9 in taking the first half!

LOW NET scores for THE SECOND HALF:

C	Charlie Walsh	3	48	32
	Ray Malone	2	43	
D	Pat Gallagher	4	44	30

Note: Subs are ineligible for prizes

Dandrea keeps his momentum up from the playoffs and shoots a 37 to set the bar for the A squads. With a net 29 this is going to be tough to beat! (Unless those higher handicap players like Michno and Gino can pull their act together!). You might as well forget getting the B group honors when Neil Jackson shot the lights out with a 37 net 25. Looks like the union guys are certainly working on something! Walsh and Malone both had good rounds but 32 is definitely a score others will beat. Pat Gallagher shot a 44 net 30 which may hold for a while in the D group. He should get extra credit for that score since he had to play against Berube who weaseled in on the 2nd hole!

News

The second half started almost where the first half finished. Team 9 took 41 points on their quest to win both halves led by Captain Dandrea and his partner Barb taking 13.5 points. Team 4 stayed close behind taking 39.5 points despite a controversy on the 1st Tee. Apparently there was a major miscommunication where the Team 7A player and VP

couldn't decide whether he could or couldn't play as a sub was already selected for his position. He then showed up at the first tee to move down to his C group. Unfortunately there was already a player, Ian Doyle, who was going to sub in that group. The scribe, seeing that the sub had "Ian Doyle" imprinted on his bag and understanding that the VP had a higher handicap, protested and told the VP to get off his ass and join the D group ahead which was playing against his own team to let the new sub play 9 holes! Of course, the scribe was betting on Berube being the higher handicapper than Sir Ian Doyle, would shoot his handicap at the minimum. The Prez jumped in and escorted Rick via cart to join the others at the 2nd hole. Unfortunately, Rick shot a great score and if not for Pat Gallagher shooting a great round, Team 4 could have got killed! (Glenn – it's all my fault!). The fingerpointing at the 19th was unbelievable. But the moral of the story is that Berube needs to re-evaluate his priorities!

Notes:

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Wednesday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Wednesday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

Please pay attention to the rules of scoring matches when there is a Noah. Remember that they are one on one matches and the tick marks for handicaps need to be adjusted accordingly for each individual match.

Joke of the Week

Golfing Lawyer

A man was teeing off and hit a lousy ball onto the next fairway and en route struck another golfer on the head.

He shouted at the lousy hitter,

"I am a lawyer and this will cost you, maybe \$5000.00."

The golfer yelled back, "I am sorry but I did shout FORE"

The lawyer replied, "OK I will take it!!!"
