## News

Apparently we know the answer to the question on whether Team 4 was going to go into the tank to pad their handicaps in the 2<sup>nd</sup> half or if they were going to try to win the 2<sup>nd</sup> half and be the undisputed NUWC Golf League Champ of 2017. They crushed Team 8, who by the way was the only team to lose every one of their matches in the first half, by the tune of 48.5 to 23.5. Dandrea and Iriye humiliated Team 8's new Captain Fratus and his partner Diodato 15-3. Maybe that's a leap calling Timmy the new Captain but if you were paying attention, Team 8's Captain Dube appears to have abandoned his team over the last month as he has not shown up for the last three matches. With leadership like that, it is understandable why Team 8 is starting off the 2<sup>nd</sup> half at the bottom of the barrel. I wonder if Team 8 knows that there is no prize for being in last place.

Also helping Team 4's cause was the 13-5 beat down of Wilusz and Brereton by Coffland and Gallagher (the one without loud pants). As Wilusz entered the 19<sup>th</sup>, Harnois had aspirations that the 8C team would have whipped the 4C team so that his Team 3 might be in contention. When Ray heard the score of this foursome he began to berate the scribe on his poor play and it was the scribes's fault that Team 4 had built such an early lead after one week of play in the second half. Apparently Ray was attempting to shift blame to others rather than acknowledge his own poor performance. If you hadn't heard, Ray had high hopes that a change in his swing would help his game. He got his swing analyzed and discovered he had been swinging incorrectly his whole life. His coach provided him instruction that should have helped his game. Unfortunately Ray continues to shoot in the mid 50's and his handicap has ballooned to a 14 for nine holes. Can't believe I'd ever quote the once vice presidential candidate Sarah Palin but I have to ask...."Ray....How's that hopey, changey thing doing for ya!"

The independent investigation of Team 4, who by the way is the president's team, is now getting even deeper.

But let's not crown Team 4 as champs yet. Team 6 smoked Team 1 by the score of 45 to 27 with their B, C, and D groups all having convincing victories. Although looking at the scores, it is more likely that Team 1 handed this match to Team 6 since McCarthy, Perry, Patton and Matthews all shot way above their handicaps.

And even with Harnois' embarrassing play, Team 3 isn't really that far behind as is Team 7 with both sitting at 39 points. And then don't forget about the 1<sup>st</sup> half bridesmaids, Team 2, who had a bye this week and plan to come out strong next week after a few weeks rest.

And the shot of the week goes to John Patton who air mailed his drive on Hole #11. He rared back and came down with tremendous force on the ball which shot out like a cannon square into the mailbox on the side of the cart path. I'm hoping there was no damage to his golf ball and he went on to at least bogey the hole.

Don't despair. This is only the first week and with eight weeks remaining anything can happen. Who knows? Maybe this week will be your team's turn to score 48 or more points?

### **Notes:**

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Wednesday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Wednesday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

### **Slow Play Watch:**

I didn't hear much complaining. I had a late tee time of 4:14 and still finished in just over 2 ½ hours which really isn't too bad when one is starting off that late. Whatever people were doing, please keep it up next week.

### **Joke of the Week**

A golfer comes home to find his wife waiting on the front porch with steam coming out of her ears.

"Where the hell were you?" she demands. "Our guests came over, but the yard wasn't mowed, there was no barbecue and you were missing. I've never been so humiliated!"

"I'm sorry," the husband says. "Let me explain. We played golf this morning, but on the way back to town we stopped at a strip joint. I met one of the dancers, and she was so beautiful, and one thing led to another, so I took her to a hotel room for several hours of wild passion. Then I had a quick shower and rushed straight home."

"Don't you lie to me," his wife says..... "You played another 18, didn't you?"

"I was recently told a great tip on how I could cut eight strokes off my score.....Skip one of the par 3s." ~Bob Hope
