News

It was definitely a HOT one out there. STAY HYDRATED.

“PEOPLE – Fix your Divots and Ball Marks on the Greens.

The END OF YEAR Tournament at Ledgemont is set for September 24th TUESDAY. Put a Reminder in your Calendars

Reminder that the web page is back on line.

The Golf League Website is now at:

<http://ngloob.com> (NUWC Golf League - Out Of Bounds).

Please use this new URL from now on for league info and sub requests!

Notes:

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information (of course only from outside NUWC presently) or forward on news as appropriate.

Slow Play Watch:

None this Week

Joke of the Week

More Golf Truths

When you play a shot from a bunker and the ball hits the bank, there is a split second when you have no idea as to the ball's whereabouts before it plummets down on your foot.

Whenever you take your clubs on holiday, you leave your game behind.

While unloading your golf bag from the car, the golf balls fall out all over the tarmac car park and roll under the other cars.

Your best drive of the day finishes in a divot hole.

Your best medal round of the year is one shot too many to win the competition.

Your controlled draw rapidly develops into a chronic hook: similarly, your controlled fade is, in reality, a vicious slice.

Your favorite golf sweater is the one that gets shrunk in the wash.

Your first hole-in-one is always achieved when playing alone.

Your greatest round takes place against an important business contact whom you can't afford to humiliate.

Your natural ability as a golfer is in inverse proportion to the amount of money you spend on new equipment.

Quote of the Week

If you really want to get better at golf, go back and take it up at a much earlier age.

~ Thomas Mulligan

Golf Cartoons of the Week

"The way I see it, you're only 13 million range balls away from taking 2 strokes off your game."

"This is some deep bunker, I can hear an echo!"
