News

A lot of shifting for 1st place is happening. The League of Extraordinary Gentlemen is having a rough time of keeping it together. Injuries have plagued the group and moved them from Playoff contention and into a downward spiraling slope. Now the other teams have a chance.

Notes:

It was reported that for many of the groups and players who had the misfortune of landing on the beach, had to further contend with an enormous amount of footprints when they had to hit out. Pretty much every trap I saw (or hit out of) had numerous footprints in them.

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

Slow Play Watch:

CMON People, Speed it up. Keep the talking to a minimum. Move out as soon as you hit don't doddle. If you are 250 away and only a few can hit that far then Hit your ball and move along. Play READY GOLF, if you are at your ball and the others aren't then hit.

Joke of the Week

"The What If Golf Story"

What if you were playing in the club championship tournament finals and the match was halved at the end of 17 holes. You had the honor and hit your ball a modest two hundred fifty yards to the middle of the fairway, leaving a simple six iron to the pin. Your opponent then hits his ball, lofting it deep into the woods to the right

of the fairway. Being the golfing gentleman that you are, you help your opponent look for his ball. Just before the permitted five minute search period ends, your opponent says: "Go ahead and hit your second shot and if I don't find it in time, I'll concede the match." You hit your ball, landing it on the green, stopping about ten feet from the pin. About the time your ball comes to rest, you hear your opponent exclaim from deep in the woods: "I found it!". The second sound you hear is a click, the sound of a club striking a ball and the ball comes sailing out of the woods and lands on the green, stopping no more than six inches from the hole. Now the real "what if" in this story.....

What if you had your opponent's ball in your pocket?

Quote of the Week

The more you play it the less you know about it.

- Patty Berg

Golf Cartoon of the Week

"I told you not to hit the ball into the paintball area."
