Birdie (or Better) Report:

| <u>Birdie Report</u> | |
|-----------------------------|---------------------------|
| <u>Name</u> | <u>Hole Number</u> |
| Hillenbrand | 4 & 7 |
| Cerbarano | 4 |
| Hoder | 5 |
| Krzych | 4 |
| Hill | 5 |
| Camara | 6 & 9 |
| Dandrea | 6 |

Appears there were a lot of birdies to be had out there this week and a couple of firsts. Dale Dandrea holed his first birdie in the NUWC League (which was surprising to most considering his low handicap) and Pete Hill made his first bird in his life! With Pete's length off the tee we are sure that this is a sign of things to come – as long as his drives take a straight path of flight onto the fairway!

WEEKLY LOW SCORES:

LOW GROSS score for THIS WEEK: Hillenbrand (37)

LOW NET scores for THIS WEEK:

| Group | Name | Team | Gross Score | Net Score |
|-------|-------------------------|------|-------------|-----------|
| A | Chris Hillenbrand | 1 | 37 | 29 |
| B | Jim Mellin | 1 | 47 | 33 |
| C | Marc Coffland | 3 | 46 | 32 |
| D | Carlos Galliano | SUB | 48 | 34 |
| | Jin Lee | 3 | 47 | 34 |
| | Kendell (Tucker) Holmes | SUB | 52 | 34 |

Note: Carlos' inflated handicap was readjusted to reflect his Green Valley HDCP and he still ended up with low net for the week!

2nd Half LOW SCORES:

LOW GROSS score for the SECOND HALF: Hillenbrand (37)

LOW NET scores for THE SECOND HALF:

| Group | Name | Team | Gross Score | Net Score |
|-------|-------------------|------|-------------|-----------|
| A | Chris Hillenbrand | 1 | 37 | 29 |
| B | Sue Pettit | 4 | 44 | 31 |
| | Ron Cirillo* | 2 | 46 | |
| | Chris Anderson* | 2 | 43 | |
| C | Pierre Corriveau | 1 | 44 | 31 |
| D | Tom Richards | 6 | 52 | 33 |
| | Marshall Lundberg | 1 | 52 | |
| | Scott Hassan | 6 | 51 | |

***During Week 11, Ron Cirillo and Chris Anderson were inadvertently overlooked for their low net scores which tied the low net score for the B group in the 2nd half. The scribes humbly ask your forgiveness!**

Chris Hillenbrand took over the A spot for both Low Gross (37) and low net (29) for the 2nd half. Unfortunately he stunk up the back 9 only shooting a 40 for an 18 hole score of 77. Great round Chris!

News

The weatherman got it wrong as some showers came in a bit earlier than expected so if you weren't in the early groups teeing off you probably got a little wet. The showers didn't last very long though and actually made it a very comfortable round (especially for Team 1 as you'll hear later on). It's a good thing the rain didn't come down harder as many players were unprepared with either lack of rain gear or lack of an umbrella. Of particular note was Glenn Donovan who had stuck his daughter's bright green and white sun umbrella into his bag before heading to the course. He pulled it out at the 1st tee and was immediately barraged with an onslaught of sarcasm by the others waiting to tee off. Glenn took it all with a grain of salt and casually returned the umbrella into his purse.

The big news of the night was that all the stars seemed to align for Team 1. Hillenbrand shot the round of his life, Gino actually contributed, a strategic substitution in Team 1's D group, Marshall Lundberg's black power socks actually helped his game, Jim Mellin NOT driving his cart into a trap or a pond and shooting low net in the B's, and Tom Wilusz returned to Team 7 after a two week hiatus and jinxed his team by submitting to the handicapper the lineup, and I quote, for "the projected 2nd half champions" when he provided Pete the lineup for this week. It also didn't hurt that the rest of Team 7 must have thought they were on a bye week (FYI – it's 8 August!). This all resulted in a 53.5 to 18.5 annihilation of Team 7 by Team 1! In the 19th, you could see the concerned look on all non-Team 1 Code 81 people knowing that they'd be hearing Gino crowing and beating his chest for at least the next week. Romeo was seen leaving the clubhouse on his way to Best Buy to purchase some Bose noise reduction headphones in preparation!

And with this superior display, Team 1 overtook Team 3 for 1st place in the 2nd half. But Team 1 shouldn't get too cocky as Team 3 is still right behind them taking in 46.5 points themselves led by the D group's Jin Lee and Sub Tucker Holmes (14.5 points) and the A group's Paul Dube and sub Tom Freeman (11.5 points). Seems Freeman only plays good golf when he's subbing! With this score, Team 3 is trailing by only 6 points in what appears to be a two horse race for the 2nd half. But there is yet one more spin to the story as it has been anonymously rumored that Team 1 may have had connections with the Biogenesis firm. While no suspensions are impending at this point, the League is working closely with Major League Baseball to gather information that MLB may have uncovered as part of their investigation that may link this NUWC League gang of 8 to PEDs. The league's particular focus is on "A-Rod" Hillenbrand.

A Nassaney/Aker battle appeared to start on the 2nd hole when Don hit his 2nd shot onto the green while the foursome of Nassaney, Malone, Huggins and Snoke were still putting. For the record, it was Don's 6th shot as he hit his drive and 4th shot out of bounds. So on the 5th, it appeared that the Nassaney foursome would pay back Don and his foursome by holding a social gathering on the 5th green causing a pileup at the 5th tee. Not to be out done, on the 9th, Don unloaded an immense 3 wood shot which veered off to the right and back of the 9th green nearly decapitating Nassaney and Snoke who were tallying up their scores. Upon reaching his ball, Don was aptly proclaimed "Donny Danger" by our prez Nassaney. Please note there is no relation to and this is not to be confused with "Carlos Danger" (at least we hope!).

The END OF YEAR Tournament at Ledgemont is set for September 24th TUESDAY.

Put a Reminder in your Calendars. A flyer is forthcoming

Reminder that the web page is back on line.

The Golf League Website is now at:

<http://ngloob.com> (NUWC Golf League - Out Of Bounds). Please use this new URL from now on for league info and sub requests! Although an ironic state of affairs that our esteemed webmaster who has been doing an outstanding job managing the site, unfortunately still hasn't learned how to use the sub request function as evident this week.

Notes:

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information (of course only from outside NUWC presently) or forward on news as appropriate.

Slow Play Watch:

Didn't really hear of complaints although the Nassaney group came close to being highlighted here (Oops – think I just did that!)

Rumor is that these signs will soon be posted at Green Valley. Appropriate for this league. Unfortunately it leaves out a few but these can't be mentioned to keep in good taste.
