Appears there were a lot of birdies to be had out there again this week. Nice job John McNeil in the D's with a bird on #5.

## ***2nd Half LOW SCORES*:**

**LOW NET scores for THE SECOND HALF*:***

| Group | Name | Team | Gross Score | Net Score |
|---|---|---|---|---|
| A | Chris Hillenbrand | 1 | 37 | 29 |

| C | Pierre Corriveau | 1 | 44 | 31 |
| D | Pete Decoste | 5 | 42 | 28 |

**Dan Schwab surpasses Hillenbrand's gem of last week by shooting an even par 36 to take over low gross for the 2nd half. Great round Dan! Hillenbrand still holds the top spot for low net. Pete Decoste shot the lights out for a D player with a gross 42/net 28 to take the lead in the D low net group. Nice round Pete especially considering who was subbing as your partner this week! A 28 is going to be tough to beat! Also, a nice round completed by Neil Jackson who shot a 41 with a 10 handicap. And he also was at a disadvantage since he was partnered up with Harnois!**

## ***NEWS***

Team 1 lost their match but somehow managed to extend their lead over Team 3. The conspiracy theorists are already concluding that there is Team 1/Team 7 collusion in the works. Last week, Team 7 stunk up the house and lost 53.5 -18.5 to Team 1. This week, two of Team 7's players subbed on Team 5 which proceeded to crush Team 3 by the score of 43.5 – 28.5. Looking at the scores, contrary to the theorists, this looks like it was primarily due to the great round by Pete Decoste taking 14 points in the D group. Although, a Team 7 sub was keeping the scorecard…….hmmm….makes you wonder! It is really unfortunate that Team 4 had the two forfeitures in Week 10 else they probably would be jockeying for position amongst the 2nd half leaders. Goes to show you how big a penalty it is when you have several Noah's on your team. I guess one consolation is that Team 5 is now only 1 point from moving out of the cellar as Team 9, the 1st half winners, continues to tank it and beef up their handicaps for playoffs.

Tom Freeman continued his MO of following up a great week playing as a sub, with a subpar effort. Although it seems that the reason for his higher than usual score this week was that he decided to get in some quality beach time on Hole 5, hitting into the greenside bunkers at least 3 times by my count! At least Tom kept it to one hole for

beach time. It seemed Jin Lee wanted to spend the afternoon at the beach as he ended up in the sand on nearly every hole!

Keith Casey had a somewhat average round of 44 but still won his match playing as a solo. Michno was heard to have said that he and partner Tod Camara took it easy on Keith as they felt sorry that he had no friends. I guess Keith still hasn't figured out how his web based sub request process works since he couldn't find a partner this week.

**The END OF YEAR Tournament at Ledgemont is set for September 24th TUESDAY.**
**Put a Reminder in your Calendars. A flyer is forthcoming**

## ***Notes:***

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information or forward on news as appropriate.

## ***Slow Play Watch:***

None…….I must have been playing t a different course! Berube's group was up for consideration at one point but picked it up on the 6th hole and waved others on to the green on #8 so they are reprieved.

## ***Joke of the Week***

Two friends were playing golf one day. They decided that they would adhere strictly to the rules with no improving their lie.
After a few holes, one guy's ball landed on a cart path. As he reached down to pick up his ball to get relief, his friend said, "We agreed that we would not improve our lie."
No matter how much the first fellow tried to explain that he was entitled to this relief, the second fellow would not allow it. So the man went to the cart to get a club.
As he stood over the ball he took a few practice swings, each time scraping the club on the pavement, taking out big chunks of blacktop and sending out lots of sparks!
Finally, after several practice swings he took his shot. The ball took off and landed on the green about 6 feet from the pin.
"Great shot!" his friend exclaimed. "What club did you use?"
"YOUR 7-iron!" he replied.

## ***Quote of the Week***

"If you are going to throw a club, it is important to throw it ahead of you, down the fairway, so you don't waste energy going back to pick it up. " ~ Tommy Bolt
