### **Birdie (or Better)Report:**

<b>Birdie Report Week 15</b>	
<b>Name</b>	<b>Hole Number</b>
Paul Linskey	7
Bob Iriye	5
Steve Diodato	5
Paul Dube	7
Eric Simone	7

One of our newest full time players, Eric Simone has now officially made it into the bully with positive press with a birdie on 7. Fair warning – the bully is fair and balanced so I'm sure this positive press will be offset in the future with something slightly less flattering!

By the way, **Barbara Keller had a birdie on hole #7 in Week 14.** It was apparent she hadn't read the Week 14 bully as she told me in the elevator on Wednesday at least two times then proceeded to inform me at the 10jh this week at least a ½ dozen times about her grand accomplishment! Absolutely no BS here.....And Sue Petit can vouch for this!

## **WEEK 15 LOW SCORES:**

**LOW GROSS score for WEEK 15:** Berube, Diodato (41)

## **LOW NET scores for WEEK 14:**

<b>Group</b>	<b>Name</b>	<b>Team</b>	<b>Gross Score</b>	<b>Net Score</b>
A	Paul Dube	7	42	32

C	Seth Moyer	5	48	34
	Cliff Curtis	9	49	
D	Pat Gallagher	5	47	32
	Bob Latourette	6	50	

Two weeks in a row for Gino! And Curtis makes the bully for the second straight week!

## **2<sup>nd</sup> Half LOW SCORES:**

**LOW GROSS score for the 2nd HALF:** Velasco R, Berube, Schwab, Fratus (38)

## **LOW NET scores for THE 2nd HALF:**

<b>Group</b>	<b>Name</b>	<b>Team</b>	<b>Gross Score</b>	<b>Net Score</b>

	Velasco the Elder	5	38	
B	Brady Paradis	6	40	27
C	John Patton	2	45	31
D	Steve Codyer	7	44	30

**Note: Subs are ineligible for prizes**

No new names here this week after a changing of the guard in three of the four divisions last week. Three weeks to go to make a move! A, C, and D divisions look ripe for the picking!

## **News**

Team 3 had a bye week but still holds the lead in 1<sup>st</sup> place. The biggest move comes from Team 1 who in the last two weeks catapulted from last to 2<sup>nd</sup> and only 13 points behind Team 3! They are looking like the Toronto Bluejays or NY Mets! They bested last week's 43.5 points by taking 47.5 points from the League of Extraordinary Gentleman! In Captain Jay Snoke's absence, Dave Nassaney managed to send a few ringers in Lawrence Gallagher and Cindy Grzechowiak (and just when I got used to spelling Wiatrowski, Krzyzek, Krzyzch, Pietrzak and Wilusz) who beat up on Patton and Wilusz by 14.5 to 3.5. Also helping in this massacre was Chuck Beltz and Dianne Letourneau who demolished Steve Fanning and sub Steve Codyer by the same score. Nassaney was rumored to be heard in the 19<sup>th</sup> bellowing in Trump-like fashion...."I will

take this Team to the top! I will ensure Team 1 wins this thing! I have made a lot of money for the League and I built up this league over the last few years. I have built many great tournaments! And I will win! I'm the only one that has the brains and resources to take the top spot!"

But did Team 2 have some stake in this match as well? Rumor has it that there was a league officials meeting earlier in the week where an official recommended giving a prize, other than the standard tennis balls, to the last place team. Suggested prizes were free memberships to Montaup, an all-expenses paid trip and golf clinic in central Florida, round trip flight and tickets to next years' Masters..... By a 4 to 3 vote the recommendation was approved. And who may you ask were the four voting "yea"?????????? The four officials on the League of Extraordinary Gentleman who are now in last place!

After falling from 2<sup>nd</sup> last week, Team 5 stayed in contention by taking 41 Points against last week's 2<sup>nd</sup> place Team 8 led by Green and Gallagher (the other one....not Loudpants) taking 14.5 points from Lundberg and Matthews. It would have been worse if the Freitas (or Fratus?) twins didn't take 13 from the Velascos.

Team 6 did nothing to help themselves in mitigating the accusations that they are playing with overcompressed golf balls. First, the league had a league official (Barbara) spotting Brady's every move to ensure there were no improprieties regarding manipulating the golf balls. She stalked him all week before this match but saw no wrongdoing. Then Brady shot a 52 with what were regulation golf balls. So how does this explain his long drives and gross 40 last week? Also, nobody kept an eye on Harnois but we suspect that at some point, maybe with some help from Charlie, he obtained illegal golf balls for the 2<sup>nd</sup> week in a row. But this week, he kept them to himself rather than throw more suspicion on Brady. He didn't have enormous drives but on hole 2, his drive hit a tree, richoted off that tree on to another, bounced in the cart path we think twice and ended up on the path near hole #1 green. How else can one explain his drive on Hole #2. No normal compressed ball could have done that. See the Great Photo of the Week later in the bully as proof.

So, with 3 weeks to go, 1<sup>st</sup> place is still in reach for several teams regardless what Nassaney was rumored to have said. And the group bunched up and vying for at least the second spot is now at 6 teams. There is only an 8.5 point difference between the 2<sup>nd</sup> and 7<sup>th</sup> place team. As for Team 4, your hopes are quickly fading. And as for Team 2, I suggest choosing the golf clinic that was suggested as a prize for last place!

## **Notes:**

**I didn't land in or near any traps and had an early tee time. I didn't hear any complaints in the short time I was in the 19<sup>th</sup> so I assume people helped out and raked traps as requested.**

**News on the End Of Year tournament should be coming out shortly. Keep an eye out for a flyer and in Hot News on the web page. You might want to start planning your foursomes.**

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

## **Slow Play Watch:**

Thought we might have a problem early on as one of the early groups fell behind by a hole quickly. But they finished in a respectable time and it may have been that the group ahead of them were playing speed golf so they could play more holes after their match.

## **Joke of the Week**

### **Will and Guy's Top 10 Golf Caddy Comments**

1. Golfer: Think I'm going to drown myself in the lake.  
Caddy: Think you can keep your head down that long?
2. Golfer: I'd move heaven and earth to break 100 on this course.  
Caddy: Try heaven, you've already moved most of the earth.
3. Golfer: Do you think my game is improving?  
Caddy: "Yes sir, you miss the ball much closer now."
4. Golfer: Do you think I can get there with a 5 iron?  
Caddy: Eventually.
5. Golfer: You've got to be the worst caddy in the world.  
Caddy: I don't think so sir. That would be too much of a coincidence.
6. Golfer: Please stop checking your watch all the time. It's too much of a distraction.  
Caddy: It's not a watch - it's a compass.
7. Golfer: How do you like my game?  
Caddy: Very good sir, but personally, I prefer golf.
8. Golfer: Do you think it's a sin to play on Sunday?  
Caddy: The way you play, sir, it's a sin on any day.
9. Golfer: This is the worst course I've ever played on.  
Caddy: This isn't the golf course. We left that an hour ago.
10. Golfer: That can't be my ball, it's too old.  
Caddy: It's been a long time since we teed off, sir.
