News

Let's take a walk down Hole # 3 and we will put the Foursome of AKER, Corriveau, Murphy, and Cirillo in this picture for an example.

After hitting one of his shots with a bad outcome, Dandy Don decided to fling his club in anger. Mr Cirillo decided that he was being given a club and was about to put the club in his bag when Dandy Don came and asked for it back. Training on how to overcome this will be offered for those that need it.

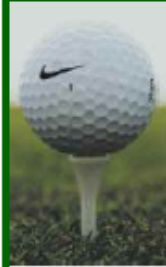

On another note, just because people like to try and hit Harnois with golf balls, there is no reason not to yell fore, so that innocent bystanders can duck and cover. There was silence after the foursome of Corriveau, Aker, Murphy, and Cirillo hit a tee shot on the cart path next to the 9th tee, which hit only a few feet behind the group waiting to tee off on 9. The ball then bounced up in the air around 20 feet, and hit their intended target, Harnois. No fores were heard, no apologies were given, no drinks were bought for the traumatized group that was hit into... Only excuses were spoken in the 19th like "we didn't think that it was going to be close to the group", "I couldn't see the ball (attributed to a player in the group that had his eyes surgically repaired for long distance viewing)". It is all fun and games, until someone besides Harnois gets tagged and then all hell will break loose. Yell Fore when you see the ball going towards the group especially on that hole as someone will get tagged some day.

COMMON ETIQUETTE in Golf should be followed. If you don't know what this is then ask some of the other Golfers who don't fling clubs or endanger others by flying golf balls without warning.

HOT NEWS:

The End of Year Tourney is coming up and we want to get a full sell off of all the tee times. Please try to get your foursomes in early and ask around if there are any others that would like to play. We heard Ledgemont recently was bought and the new ownership has invested

several million \$ in upgrades so the course should be in greater shape than it already had been! (See Page Below for Flyer !!!!)

Slow Play Watch: *It Happened Again People*

The 2:54 and 3:02 Group were horrendously slow last week. They need to pick it up. Stop talking and SCATTER people. Do not keep searching for balls after 1 minute. Go to your ball and hit if you are ready and it is clear. Most people will play a little better if you keep a good pace of play going. Do your part and push the slow players and also make all the players scatter as they don't need to be talking and walking, remember that is two actions and engineers have a hard enough time doing one action at a time.

Joke of the Week

The Difference Between Religions

A Catholic, a Baptist, and a Mormon are bragging about the size of their families.

"I have four boys and my wife is expecting another. One more son and I'll have a basketball team!" said the Catholic.

"That's nothing!" said the Baptist. "I have ten boys now, and my wife is pregnant with another child. One more son and I'll have a football team!"

"You both should be ashamed of yourselves!" said the Mormon. "I have seventeen wives. One more and I'll have a golf course"

Quote of the Week

I'm about five inches from being an outstanding golfer. That's the distance my left ear is from my right.

Cartoon of the Week

"You replaced my photo with a photo of your golf instructor, and you have the nerve to ask why I'm upset?"
