## **WEEKLY LOW SCORES**

**LOW GROSS score for THIS WEEK:** Schwab, Lee (40)

**LOW NET scores for THIS WEEK:**

Group	Name	Team	Gross Score	Net Score
A	Gino Cerbarano	1	44	35
	Tim Fratus	9	42	
B	Bob Albanese	8	45	33
C	Don Aker	1	48	35
	Cliff Curtis	4	50	
	Carlos Galliano	SUB	49	
D	Jin Lee	3	40	29

An impressive round by Jin Lee shooting a gross 40 for the low gross score in the D's this year. Unfortunately there is only one prize for low gross each half and his Net 29 was still not enough to overtake Pete Decoste for the low net for the half. But Jin – you still have two more shots at it!

## **2nd Half LOW SCORES:**

**LOW GROSS score for the SECOND HALF:** Schwab (36)

## **LOW NET scores for THE SECOND HALF:**

Group	Name	Team	Gross Score	Net Score
A	Chris Hillenbrand	1	37	29
B	Dave Sowersby	7	44	30
C	Dave Nassaney	6	38	24
D	Pete Decoste	5	42	28

**Note: Subs are ineligible for prizes**

## **NEWS**

With one week and a make-up to go, Team 3 is chipping away at Team 1's lead. The rumors that Team 7 was paid off by Hillenbrand to help Team 1 by lying down and only scoring 18.5 points a few weeks ago against them is highly exaggerated. This week, in all fairness, Team 7 gave Team 3 a gift by only taking 23.5 points. Although this was mostly due (we think) to Schwab and super D player Jin Lee scoring gross 40's. But could it be that Dube took a page out of the Hillenbrand playbook this week? He conveniently assured 3 Noahs and manipulated his line-up moving down into the C's to whip Egan (who also moved down) and Whittier 12.5 – 5.5. Jin Lee played alone and took 14.5 and George Bertsch took 10.5 as a solo player. Next week, Team 1 has a Bye so Team 3 can move even closer with any score greater than 36. Unless, Team 3 totally collapses in Week 18, it looks like a battle royale in the make-up week as Team 1 faces Team 3 for all the marbles. It may come down to which Captain will be the more devious!!!!

Team 6 moved up to 3<sup>rd</sup> place led by the B group of Paiva and Iriye shellacking Linskey and Pettit 14.5 – 3.5 and Hassan and sub Sullivan putting the hurt on Griffin and Bisci taking 13 in the D's. Unfortunately, Team 6 needs a miracle as they are still 34.5 points out of 1<sup>st</sup> place. Even if Captain Michno uses a Berube rah-rah speech to inspire his team for these last two weeks, it doesn't appear that Team 6 can make up the difference. But this could be Pete's last opportunity to prove to his team that he is their leader!!!!

Did anyone besides me find the greens unbelievably slow? Even my 2 footers were only going 1 ½ feet! (Harnois can vouch for this – although A player Ray shooting the same score of 52 didn't help his team either).

## **SPECIAL ANNOUNCEMENTS:**

**\*\*\*\*\* With the playoffs coming, we all need to be prepared to play week 18 and the make-up week without cancelling even if the weather is inclement as there are very minimal options for make-up dates at this point. These are critical weeks especially for the two teams at the top.**

### **Notes:**

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information or forward on news as appropriate.

## **The What If Golf Story**

What if you were playing in the club championship tournament finals and the match was halved at the end of 17 holes. You had the honor and hit your ball a modest two hundred fifty yards to the middle of the fairway, leaving a simple six iron to the pin. Your opponent then hits his ball, lofting it deep into the woods to the right of the fairway. Being the golfing

gentleman that you are, you help your opponent look for his ball. Just before the permitted five minute search period ends, your opponent says: "Go ahead and hit your second shot and if I don't find it in time, I'll concede the match." You hit your ball, landing it on the green, stopping about ten feet from the pin. About the time your ball comes to rest, you hear your opponent exclaim from deep in the woods: "I found it!" The second sound you hear is a click, the sound of a club striking a ball and the ball comes sailing out of the woods and lands on the green, stopping no more than six inches from the hole. Now the real "what if" in this story.....

What if you had your opponent's ball in your pocket?
