News

The last week of the leagues season and it started by Pete the Handicapper asking Gino to bring the cards to the course but low and behold the cards never showed up. Luckily everybody came together and sang kumbai ya and put the handicap strokes on course cards. The team known as the League of Extraordinary Gentleman cannot have someone like this jeopardizing the good name of the Team. He will be dealt with according to the Henchmen. Team 3 took first place and Team 1 did a miraculous job by moving from last place up through everyone to snatch away the 2nd place finish to qualify for the Playoffs and make their mark on the season. Dave "The Boss Man" Nassaney moved the boys and made them strive for the Golden Cup and now he has them poised to snatch away the second half to move into the Championship if he can make his team work on the rigorous training schedule he has going on this week. Only time will tell. Tune in next week for the Conclusion. SIGN UP FOR THE END OF YEAR WITH A FOURSOME.

Notes:

News on the End Of Year tournament is out now. Start planning your foursomes. Ledgemont is a great venue.

Slow Play Watch:

Getting too late in the season to complain about this. If you haven't gotten it by now, you never will.

Joke of the Week

Golf Genie

A young couple is golfing one day on a very exclusive course lined with million-dollar houses. On the third tee, the wife slices her shot right through the large front window of the biggest house along the course. They walk up, knock on the door, and hear a voice say, "Come on in." Opening the door, they see glass everywhere and a broken bottle lying on the floor.

A man on the couch says, "Are you the people who broke my window" The husband begins to apologize, but the man cuts him off. "Actually, I want to thank you! I'm a genie who was trapped in that bottle, and your wayward shot released me. I'm allowed to grant three wishes, so what I'd like to do is give each of you one wish, and I'll keep the last one for myself."

"Fantastic!" says the husband. "I want a million dollars a year for the rest of my life."

"No problem," says the genie, "it's the least I could do. And you, ma'am, what do you want"

"I want a house in every country in the world," says the wife.

"Consider it done," the genie replies, turning back to the man. "And now for my wish. Because I've been trapped in that bottle, I haven't had sex in a really long time. My wish is to sleep with your wife."

The husband takes a long look at his wife and says, "Well, we did get a lot of money and all those houses. If you don't mind, honey, I don't either."

The wife agrees, and the genie takes her upstairs, where he ravishes her for three hours. After he's through, the genie rolls over, looks at the wife, and asks, "How old is your husband, anyway"

"Thirty-five," she replies.

"And he still believes in genies"

Quote of the Week

I have a tip that can take five strokes off anyone's golf game. It is called an eraser.
