News

I was going to start off the new season by taking it easy on everyone the first week seeing that most of you probably had yet to swing a club prior to this week. However, when I looked at the scores on early Sunday morning, I could not help myself and taking a page out of the POTUS playbook, I proceeded to go on a 1 hour twitter rant to summarize exactly what occurred Thursday night. And if you feel like you have been accused of something without evidence, I did hear people saying things and I will be vindicated when more info comes out soon!

Notes:

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Wednesday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Wednesday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

Dues – Even though the dues are listed in the rules, they are repeated here as additional encouragement for you to pay on time! You must pay by this Friday if you do not want to incur penalties!!

League dues for NUWC employees, contractors and NUWC retirees will be \$40/year, payment received before 1 May 2017. Payment increases to \$45.00 if received after 1 May 2015. Members are responsible for paying their own dues. Payments can be made to Barbara Keller (Treasurer) or to any other League Official. Make checks payable to "NUWC Golf League". Cash will also be accepted. Deadline for payments is 1 May 2017. **Please read the rules as there will be reduction in points penalties assessed to teams that have members who have not paid by this date. Additionally, members who do not pay by the date indicated are subject to removal as a member and will be placed on the Sub List.** Their position on the Team roster will be filled by the next eligible individual on the Sub List based upon membership criteria (frequency of filling in as a sub and handicap with respect to division roster spot needing to be filled). Team Captains are encouraged to ensure all Team Members pay their dues in a timely manner.

Slow Play Watch:

There were a few whining about some slow play at the start of the round and also on the tail end. I'll be easy this week but be aware that I can be ruthless in this section so please keep up your pace of play.

Joke of the Week

It was back in the 70's and a soon-to-be prominent golfer (Ray Floyd) was playing at Augusta for his first Masters. Back then the players could not bring their own caddies but had to use one of the locals. Floyd told the caddy master he wanted a big fellow who could handle his bag, but who also would keep quiet, no advice needed.

The caddy who was assigned Floyd said, "Hello Mr. Floyd."

Floyd said "Hello" and followed that with, "That's the last I want to hear from you unless I ask you a question."

Everything went well until the 10th hole when Floyd pushed his drive into the right trees on the par 4. After surveying the scene he said out loud, "I'm going to hit a low fade out through that opening to carry and land mid-green and then roll over the crest down near the hole."

Surprisingly he pulled it off exactly as he described it and turned to his caddy and said, "How's that?"

The caddy spoke for the first time and said, "That wasn't your ball."

Quote of the Week

“For me, the worst part of playing golf, by far, has always been hitting the ball.” – Dave Barry

Golf Cartoon of the Week

*“I only want to work 12 hours a week.
I don't want this job to interfere with
my golf game.”*
