Barbara Keller has set the bar early in the B group with a net 29. Pete has jumped all over his partner Rick and showed him the score to beat. The others seem ripe for the picking! and they will be jumping in.

## News

After three weeks, it looks like Team 2 aka "The League of Extraordinary Gentlemen" look like the team to beat in the first half. After taking a hefty 47.5 points in Week 1, they still managed to win their match in Week 2 and banging out a respectable 35.5 in week 3 with Halpin's amazing 9 against 2 strong opponents (ok not that strong but have to make it sound ok). Stocking their A, B, and C squads with league officers appears to be making quite the stir among the movers and shakers of the league.

Team 8 and Team 7 aren't really that far behind and actually, only 3 weeks into the season, it still is anybody's game. Remember you are playing for the top two spots to make the 1<sup>st</sup> half playoffs.

## Notes:

### Scoring:

This year we have implemented hole-by-hole scoring into the online system. What we mean by "scoring" is we enter actual strokes taken. The system then calculates the CORRECT MATCH points per hole based on those strokes taken. This alleviates common errors as found on the cards (many times where strokes were not given or taken properly and added incorrectly.) When people are attesting the cards, they are attesting to the strokes taken.

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

**Dues – Even though the dues are listed in the rules, they are repeated here as additional encouragement for you to pay on time! You must pay by this Friday if you do not want to incur penalties!!**

League dues for NUWC employees, contractors and NUWC retirees will be \$40/year, payment received before 1 May 2015. Payment increases to \$45.00 if received after 1 May 2015. Dues for others will be \$45/year, payment received before 1 May 2015. Payment increases to \$50.00 if received after 1 May 2015. Members are responsible for paying their own dues. Payments can be made to Barbara Keller (Treasurer) or to any other League Official. Make checks payable to "NUWC Golf League". Cash will also be accepted. Deadline for payments is 1 May 2015. **Please read the rules as there will be reduction in points penalties assessed to teams that have members who have not paid by this date. Additionally, members who do not pay by the date indicated are subject to removal as a member and will be placed on the Sub List.** Their position on the Team roster will be filled by the next eligible individual on the Sub List based upon membership criteria (frequency of filling in as a sub and handicap with respect to division roster spot needing to be filled). Team Captains are encouraged to ensure all Team Members pay their dues in a timely manner.

### **Slow Play Watch:**

Guys it is starting to show and look like slow play so keep the pace of play up. If you are ready hit don't wait for everyone else while they talk and slow down. Searching for balls is ok as long as you aren't holding up the groups.

### **Joke of the Week**

#### **Christmas Golf**

Four old-timers were playing their weekly game of golf when one of them commented on how nice it would be to wake up on Christmas morning, roll out of bed - and without an argument, go directly to the golf course to meet his buddies for 18 holes. All three of his friends unanimously agree, "Let's do it! We'll make it a priority, figure out a way and meet here early Christmas morning!"

A few weeks later it's Christmas morning - and there all are standing next to each other on the first tee box. One friend exclaims "Boy this game cost me a fortune! I had to buy my wife such a huge diamond ring, she can't even take her eyes off it." Another friend says, "I spent a ton, too. My wife is at home planning the cruise I gave her. She was up to her eyeballs in brochures." The third friend replies "Well, my wife is at home admiring her new car" reading the manual." Silence from the fourth guy"

The other three friends in the group look puzzled, while the final guy in the foursome is staring at them like they must have lost their minds. "I can't believe you all went to such and expense for a round of golf. I just woke up, slapped her on the butt and said, "Well babe, Merry Christmas! Golf or sex, what's it gonna be" and she said "Take a sweater."
