### News

OK play was pretty slow out there Thursday. My round took more than 3 hours to play. I know it was a beautiful day, but listening to the birds tweet and working on your tan are not acceptable excuses for holding up play and that of the groups behind you. We should all be playing ready golf. This means if there are balls to the right and balls to the left, you should all be walking to your balls directly and surveying your situation, selecting a golf club to hit and being ready to do so when it's your turn. I should never see everyone walking to the closest ball, watching that person playing their ball and so on until you are all on the green unless you are all within a 12 foot radius of one another. It's precisely that kind of zig-zagging around the course and such non-real-time decision making process that wastes valuable time. I also observed a group on the 5<sup>th</sup> green take more than 5 minutes to putt out. I'm not sure what the scores were on the hole, but the last putt made was no more than 12" so it had better have been to decide points if this putt wasn't conceded!

Webmaster Keith Casey is doing everything he can to rectify the NGL website issues imposed upon us by NMCI and NUWC IAM policies. Please be patient. In fact Keith is so dedicated that he picked up the phone while checking out at Stop & Shop this week to answer the VP's questions regarding the website and lost card and forgot a fresh \$20 bill in the change bin of the self service station. Of course the bill was missing when he realized what happened and went back. It's probably in the same place as the missing scorecard.

The word on the street is that the VP is putting out contract hits on slow players. While his isn't true he did manage to hit someone on the 5th last night. Paul Dube and his group made the mistake of inviting the group behind them to hit up on the par 3 5th. Berube hit a ball at the pin but the wind was behind and moving the ball from right to left towards Team 3's A-players Paul Dube and Dan Schwab. Apparently the sun was blinding them as they looked back towards the tee box as neither reacted to yells of

"Fore!" or "It's right at you!" by the VP. It was clear neither reacted until late at which point Paul turned his back and was struck on the fly in the upper back and shoulder area. It didn't seem to bother Paul as he went on to drain his 35 foot birdie putt. The VP still owes Paul a beer for pain and suffering however.

### **Super Important Note:**

We had a missing scorecard last night. The scorecard was turned into the pro shop after the round never to be seen again. The NGL doesn't have a working relationship with the Green valley pro whereby he collects cards for us. This isn't the first time this has happened which is why NGL rule 10 states:

- A. The last person in the group to arrive should always pick up the card and take it to the tee. Don't be late for your tee time!!!!!!
- B. Make sure to sign your card and submit to the Handicapper (Peter Michno) or other league official after play in the clubhouse.
- C. **If you plan to play extra holes, run into the clubhouse and turn your card in first!!!!**

We specifically state clubhouse because GVCC doesn't do anything to administer the NGL league, instead this is the function of the NGL league officers. Please do not leave your cards in the pro shop. Aside from the potential to lose the card outright, often kids are minding the store void of adult supervision so you can't rely upon them to ensure the card gets into the proper hands. League officials will investigate with GVCC the option of leaving an envelope marked "NGL" on the hallway wall between the rest rooms and the bar where you can leave your card if you must leave before a league officer gets to the clubhouse. It is important to realize that the handicapper needs to leave with ALL the cards at the end of the night. And keep in mind his end of the night may come before yours if you play extra holes, thus Rule 10 was instated. The handicapper should have to chase anyone for the scorecards. The responsibility is on you to turn the card in for your points or risk penalizing your team.

**\*\*\*\*\* IN A NUTSHELL, IF YOU PLAY EXTRA HOLES BRING IN YOUR CARD BEFORE YOU GO OUT OR GO BACK TO THE NEXT GROUP AND GIVE IT TO THEM TO TURN IN OR SUFFER THE WRATH OF THE LEAGUE. \*\*\*\*\***

### **Notes:**

**Captains have been provided the sub list and players need to inform their Captains of their availability early for your Captains to find subs.** Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information (of course only from outside NUWC presently) or forward on news as appropriate.

Scorecards are still being handed in without the gross scores being entered. Please help our handicapper by marking down your scores to save him a little time. Plus you probably don't want to trust his math!!!

**Dues – Even though the dues are listed in the rules, they are repeated here as additional encouragement for you to pay on time! Two weeks before 31 May is preferred!!!**

League dues for NUWC employees and NUWC retirees will be \$40/year, payment received before 31 May 2012. Payment increases to \$45.00 if received after 31 May 2012. Dues for NUWC Contractors will be \$45/year, payment received before 31 May 2012. Payment increases to \$50.00 if received after 31 May 2012. Contractors/Non – NUWC employees/retirees are required to pay the additional \$5.00 per year to match the Welfare & Recreation subsidy provided for NUWC members. Members are responsible for paying their own dues. Payments can be made to Barbara Keller, Treasurer, to your Team Captain, or to any other League Official. Make checks payable to "NUWC Golf League". Cash will also be accepted. Deadline for payments is 31 May. **Members who do not pay by the dates indicated are subject to removal as a member and will be placed on the Sub List.** Their position on the Team roster will be filled by the next eligible individual on the Sub List based upon membership criteria (frequency of filling in as a sub and handicap with respect to division roster spot needing to be filled). Team Captains are encouraged to ensure all Team Members pay their dues in a timely manner. **The League Officers are considering a new rule for 2013 that imposes a reduction in points penalty for any team that has a team member that is delinquent so Captain's should prod any slackers on their teams so we do not have to implement a rule as this.**

### **Slow Play Watch:**

This Week was BAD People. Everybody needs to move along when playing, socialize on the Tee and when you finish the round in the Bar. Most people on our league do not hit the ball 240+ so when the group ahead is 220 away you can hit and just yell fore if you think it is going to reach them. Also move to your own ball and do your pre routine and be ready to hit when you are next. The league cannot keep going with slow rounds like this and it isn't enjoyable when you are waiting all the time. **I must remind you to please read the Pace of Play hints on the webpage which should help you out.** Really simple things can shave time off your round. We'd rather not be calling people out for slow play in the NEXT BULLY.

## Joke of the Week

### Two of the Best Balls Hit

Glen came to work Monday and his co-workers asked him how his weekend was. He said he played a little golf. So his co-worker asked him how well he did.

"I hit two of my best balls," he said.

"Tell me about it," said his co-worker.

"I stepped on a rake."

## Quote of the Week

I have a tip that can take five strokes off anyone's golf game. It is called an eraser.

Arnold Palmer
