News

The web page is back on line thanks to the non-stop effort of webmaster Keith Casey. The Golf League Website is now at: <http://ngloob.com> (NUWC Golf League - Out Of Bounds). Please use this new URL from now on for league info and sub requests!

We can eliminate the all hands distribution of info and requests for subs. From now on, please check the web page for league info.

After five weeks, Team 9 still holds the top spot but Team 5 shaved a few points off of the lead led by the super team of Hugh Murphy and John "Silver Fox" Perry as they plastered Team 7's Wilusz and Whittier by a 14 - 4 score. Captain Wilusz can now no longer beat on his A squad of Egan and Harnois who took 13 points from Romeo Velasco and Krzyzek to at least keep Team 7's score respectable. Except for the one week where Perry didn't show up, the super team of Murphy and Perry are averaging just under 14 points per match and are the elite team in the C division. Perry contributes the success to watching a lot of golf this year but we think that he is adding performance enhancing drugs to the multiple bowls of popcorn he devours each week!

Team 8 made some noise and moved up a few slots led by a 14.5 - 3.5 trouncing put upon Jim Griffin and Lou Bisci by John McNeil and Steve Masterson. They now are in contention with 4 weeks to go.

And look out for Team 6. After the first week, Captain Michno had all but given up on his team and was making negative public statements about his squad as if he was the Coach of the New York Rangers! It didn't work for the Rangers but could this tough talk have actually motivated Team 6 to pull a last to first by the end of the first half? It worked this week as his team took 44.5 points from Team 1 with his B, C, and D squads all posting impressive victories.

Scribe Halpin must have driven his point home in last week's bully as all cards were accounted for making Michno a very happy man.

Notes:

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information (of course only from outside NUWC presently) or forward on news as appropriate.

Dues – Even though the dues are listed in the rules, they are repeated here as additional encouragement for you to pay on time! A few days before the 31 May deadline!!!

League dues for NUWC employees and NUWC retirees will be \$40/year, payment received before 31 May 2012. Payment increases to \$45.00 if received after 31 May 2012. Dues for NUWC Contractors will be \$45/year, payment received before 31 May 2012. Payment increases to \$50.00 if received after 31 May 2012. Contractors/Non – NUWC employees/retirees are required to pay the additional \$5.00 per year to match the Welfare & Recreation subsidy provided for NUWC members. Members are responsible for paying their own dues. Payments can be made to Barbara Keller, Treasurer, to your Team Captain, or to any other League Official. Make checks payable to "NUWC Golf League". Cash will also be accepted. Deadline for payments is 31 May. **Members who do not pay by the dates indicated are subject to removal as a member and will be placed on the Sub List.** Their position on the Team roster will be filled by the next eligible individual on the Sub List based upon membership criteria (frequency of filling in as a sub and handicap with respect to division roster spot needing to be filled). Team Captains are encouraged to ensure all Team Members pay their dues in a timely manner. **The League Officers are considering a new rule for 2013 that imposes a reduction in points penalty for any team that has a team member that is delinquent so Captain's should prod any slackers on their teams so we do not have to implement a rule as this.**

Slow Play Watch:

Once again, scribe Halpin's choice words seemed to have had some influence as the league as a whole kept a pretty steady pace. Keep it up as it makes the round much more enjoyable!!

Joke of the Week

Golfing with a Hitman

Three friends were playing golf one beautiful Sunday morning, as usual, and they never missed a weekend. As one of them was about to take the first tee a guy, by himself, asked if he could join their flight. The friends looked at each other and figured "sure, why not," as they haven't played with anyone else in quite some time.

So they teed off and all four were getting along pretty well. Right about the turn, on the 9th hole, they were all chit chatting and getting to know one another. Curious, one of the friends asked the new guy what he did for a living and, funny enough, he told them he was a hitman. They all kind of laughed it off, and asked him again - this time seriously.

The stranger said "No really, I'm hitman. My gun is in my golf bag, I carry it everywhere I go. You can take a look if you don't believe me, I've never been dishonest."

So one of the guys in the group decided to take him up on the offer and, opening the bag, sure enough revealed a really nice rifle with huge scope mounted at the top. He got all excited about it. He said "WOW! I bet I can see my house through here! May I look through it?"

"Sure," said the stranger.

So the man looked around for a second and said "HELL YEAH! You can! I can even see through my windows into my bedroom. There's my wife, naked. Sweet! Isn't she beautiful? WAIT! There's my next door neighbor! He's naked too! And he's in my room!"

This upset the golfer, terribly, so he asked the hitman how much he would charge for a hit. The hit man replied "It's \$1000 every time I pull the trigger." The man said "\$1000, ouch! Well, OK. I want two hits. I want you to shoot my wife right in the mouth. She's always nagging at me and I can't stand it. Then I want you to shoot my neighbor right in the crotch, for screwing around with my wife."

The hit man agrees, gears up and takes aim through the scope. He's looking for what has to be 10 minutes. The golfer begins to get impatient and asks the hitman what he's waiting for. The hitman replies kind of anxiously, "Just hold on a minute... I'm about to save you a thousand bucks!"
