News

The web page is back on line thanks to the non-stop effort of webmaster Keith Casey.

The Golf League Website is now at:

<http://ngloob.com> (NUWC Golf League - Out Of Bounds).

Please use this new URL from now on for league info and sub requests!

After six weeks, Team 9 still holds the top spot. Team 5's super team of Hugh Murphy and John "Silver Fox" Perry failed to show their gusto when they met the "SCRIBE" as they were plastered and gave up the match with an 11-7 routing.

Last week something wild happened. Pete was walking around when all of a sudden a man moves his cart and runs over Pete. Pete was screaming for the perpetrator to stop but he still kept coming and all of a sudden Petes cart was used as a pin cushion.

Bravo Zulu to the league players as all cards were accounted for making Michno a very happy man.

Notes:

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information (of course only from outside NUWC presently) or forward on news as appropriate.

DUES – Even though the dues are listed in the rules, they are repeated here as additional encouragement for you to pay on time! A few days before the 31 May deadline!!!

League dues for NUWC employees and NUWC retirees will be \$40/year, payment received before 31 May 2012. Payment increases to \$45.00 if received after 31 May 2012. Dues for NUWC Contractors will be \$45/year, payment received before 31 May 2012. Payment increases to \$50.00 if received after 31 May 2012. Contractors/Non – NUWC employees/retirees are required to pay the additional \$5.00 per year to match the Welfare & Recreation subsidy provided for NUWC members. Members are responsible for paying their own dues. Payments can be made to Barbara Keller, Treasurer, to your Team Captain, or to any other League Official. Make checks payable to “NUWC Golf League”. Cash will also be accepted. Deadline for payments is 31 May.

Members who do not pay by the dates indicated are subject to removal as a member and will be placed on the Sub List. Their position on the Team roster will be filled by the next eligible individual on the Sub List based upon membership criteria (frequency of filling in as a sub and handicap with respect to division roster spot needing to be filled). Team Captains are encouraged to ensure all Team Members pay their dues in a timely manner. **The League Officers are considering a new rule for 2013 that imposes a reduction in points penalty for any team that has a team member that is delinquent so Captain’s should prod any slackers on their teams so we do not have to implement a rule as this.**

League dues for NUWC employees and NUWC retirees are now \$45.00 as it is after 31 May 2013.

League dues for NUWC Contractors are now \$50.00 as it is after 31 May 2013.

Slow Play Watch:

This Week was BAD again People.

The group behind Barbara Keller was 2 holes behind – that is just plain being slow asses. You should never be behind a group more than the fairway, when they are on the green it’s ok to be on the tee, but when they are on the next tee you better not be on the tee still unless you are on a Par 3.

SEARCHING FOR BALLS: When you lose a ball take one minute and then drop a ball, DO NOT keep searching and then decide to drop one after 3 minutes. If you hit the ball deep it is gone and just drop one. A FREAKING GOLF Ball isn’t that expensive and if you are hitting \$50 to \$60 a dozen golf balls out all the time and whining about the cost then maybe you should switch to the \$14 a dozen golf balls so you don’t waste everybody’s time.

Once again, Everybody needs to move along when playing, socialize on the Tee and when you finish the round in the Bar. Most people on our league do not hit the ball 240+ so when the group ahead is 220 away you can hit and just yell fore if you think it is going to reach them. Also move to your own ball and do your pre routine and be

ready to hit when you are next. The league cannot keep going with slow rounds like this and it isn't enjoyable when you are waiting all the time. **I must remind you to please read the Pace of Play hints on the webpage which should help you out.** Really simple things can shave time off your round.

So we are forced to call people out for Slow Play:
Week #6 Slow Asses:

Joke of the Week

Golf With Clergy

A young man and a priest are playing together. At a short par-3 the priest asks, "What are you going to use on this hole my son" The young man says, "An 8-iron, father. How about you"

The priest says, "I'm going to hit a soft seven and pray."

The young man hits his 8-iron and puts the ball on the green. The priest tops his 7-iron and dribbles the ball out a few yards. The young man says, "I don't know about you father, but in my church when we pray, we keep our head down."

Quote of the Week

When the ducks are walking, you know it is too windy to be playing golf.
