News

The handicaps for this week do not reflect the current handicaps. Since the handicaps and dots on the card need to be put in by hand, the team lineups should be sent in as soon as possible

Scoring for two on one matches, two of the two on one matches were scored incorrectly. Remember that strokes for the match should be calculated between the players in each singles match, and not by the low handicapper out of the three players.

Reminder that 26 June - Day of 1st Half Playoffs on Back 9 - Currently, No League Play

(The league officers are trying to organize a Mini Tourney for other players that week while the playoffs are going on if Course allows it. You've already seen a bit of info on this and you'll hear more as we get closer to the date)

The 2nd place spot is now with Team 5 and Team 3, who will dominate this week Team Dandrea or Team Berube ? Only the Shadow knows.....

It will either be Team 5 vs 2 or Team 3 vs 2 or a Three way. Shaping up to be quite a 1st half playoff.

Weather:

The recent forecast calls for rain on Wednesday afternoon but Thursday is 78 and Partly cloudy and should turn out to be a great day to play.

Notes:

Marking your Ball when on the Green:

Place the marker behind the ball and then lift your ball. When placing your ball place the ball in front of the ball marker and lift the ball marker. The ball marker should be right up against the ball. Anything else is CHEATING.

Gimme Putts when on the Green:

Example: I am on the green and putting for a bogey (5) and it rolls 35 feet and stops 6 inches from the hole. The other team gives me the putt. The score is not a Bogey(5) it is a 6 as the gimme counts as one. Anything else is CHEATING.

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

Slow Play Watch:

No Major complaints this week. Advice to all – play like there is imminent inclement weather. The fear of being rained on apparently made people move quicker!
