WEEK 9 LOW SCORES:

LOW GROSS score for WEEK 9: Velasco the Elder, Harnois (40)

LOW NET scores for WEEK 9:

Group	Name	Team	Gross Score	Net Score
A	Velasco the Elder	5	40	32
B	Ray Harnois	6	40	26
C	Seth Moyer	5	47	32
D	Steve Codyer	5	47	33

Team 5 had three players topping the low net board this week. Too bad they waited until the last week of the 1st have to all play well as a team. Is this a sign of things to come for the 2nd half?

1st Half LOW SCORES:

LOW GROSS score for the FIRST HALF: Berube, Schwab (38)

LOW NET scores for THE FIRST HALF:

Group	Name	Team	Gross Score	Net Score
A	Pete Michno	2	39	30
B	Ray Harnois	6	40	26
C	Marc Coffland	9	43	28
D	Jim Griffin	9	50	31

Note: Subs are ineligible for prizes

Ray Harnois secures the low net for the 1st half and saving the league officers a few bucks by shooting a 40 for a net 26 and breaking the tie! But based on his play yesterday at Montaup, that score is similar to the Red Sox World Series Championship of a few years ago – the anomaly - not the standard (based on how bad they are this year and were last year). I cannot repeat the words that Barbara Keller stated upon learning that Ray took the lead after she had held it since the 1st week! Think Tony Montana from Scarface!

News

With the Bye week, you'd think Team 7 would kick back and relax but they sent out a few members as subs on Team 1 against the 2nd place Team 4. Team 1 opened the door for Teams 2, 3 and 9 by taking 39.5 points from Team 4 but the other teams just couldn't get it done. Team 3 came up a ½ point short of their dream, Team 9 made a run at it but fell 3 points short, and the League of Extraordinary Gentleman had a chance but their hopes were squashed when Michno brought in the card and it was discovered that he and his partner Halpin were single handedly destroyed by Harnois by the score of 16-2! This left the Team 2 Captain wondering....."What the hell did Halpin do to piss Ray off?"

So with that, Team 4 held on to second place by a nose and will face Team 7 in the playoff on 25 June for the 1st half crown. What a great and exciting finish to the 1st half! Will Casey be a bridesmaid again?

NOTE: THE PLAYOFFS AND THE MINI TOURNAMENT WILL BE PLAYED ON THE BACK 9 ON 25 JUNE!!!!!!!!!!!!!!

The playoff will be match play in the same format as we play during the regular season (e.g., all divisions play the other same division and individual division match scores are summed). The two teams should review the playoff rules on the web page.

On June 25th, while the playoff between teams 4 and 7 is going on, we will be holding a four ball best ball tournament. The two playoff team foursomes will have the early tee times. The non-playoff teams will be broken into two foursomes for each team. Each foursome will contain an A, B, C, and D player from that team (or the best that can be done based on availability of people). Subs are ineligible for the mini-tourney. Each player will play their own ball. The best 4 scores of each hole for the entire team will be added to determine the 4 Ball Best Ball Gross and Net scores. The scores of the losing playoff team will be eligible for the tournament. Tee times for the playoff and the mini tournament will be announced shortly.

News on the midyear tournament has been announced via email and details are in the hot news section on the web page. Tourney is 9:00am on 22 June at Agawam and the firm deadline to sign up your foursomes and make payment is **18 June**. So don't hesitate, get your foursomes and payment in now!

Notes:

It was reported that for many of the groups and players who had the misfortune of landing on the beach, had to further contend with an enormous amount of footprints when they had to hit out. Pretty much every trap I saw (or hit out of) had numerous footprints in them. The first group reported that on many occasions, the non-league group ahead of them would hit out of a trap and not rake them. Let's not use that as an excuse! League players should take it upon ourselves to not only rake the area where we hit from and our footprints, but if we notice other unraked areas/footprints in the traps, take the initiative to rake those areas. It is common courtesy for the others behind you. It's tough enough playing out of the traps – we don't need another obstacle!

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

Slow Play Watch:

Didn't hear much this week but I didn't stick around long enough at the 19th to hear any whining from the late tee times.

Joke of the Week

A Couple's Deal

A couple made a deal that whoever died first would come back and inform the other if there is sex after death.

Their biggest fear was that there was no after life at all.

After a long life together, the husband was the first to die. True to his word, he made the first contact:

" Marion Marion "

"Is that you, Keith?"

"Yes, I've come back like we agreed."

"That's wonderful! What's it like?"

"Well, I get up in the morning, I have sex. I have breakfast and then it's off to the golf course. I have sex again, bathe in the warm sun and then have sex a couple of more times.

Then I have lunch (you'd be proud - lots of greens). Another romp around the golf course, then pretty much have sex the rest of the afternoon.

After supper, it's back to golf course again. Then it's more sex until late at night.

I catch some much needed sleep and then the next day it starts all over again".

"Oh, Keith! Are you in Heaven?"

"No -- I'm a rabbit somewhere in North Carolina.

Quote of the Week

"When your shot has to carry over a water hazard, you can either hit one more club or two more balls."
