News

One week to go and it looks like Team 4 will hold the first spot unless a miracle occurs. Most likely they will wait to see whether they will face Team 7 or Team 2 for the first half crown. I didn't feel verbose this week so figured I'd just summarize in 140 characters or less....but multiple times!

Michno states Team 2A Team choking is FAKE NEWS! Scored 8.5 points even after Barbara Keller did her best Evander Holyfield impression and bit Pete's ear off after his birdie on the 5th. Pete said he did his job and all the rest of his team are LOSERS! NO STAMINA!

Slow Play Watch:

There was too much going on at the 19th. Distracted everyone from discussing how slow it really was!

Joke of the Week

The Laws of GOLF

LAW 1: No matter how bad your last shot was, the worst is yet to come. This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer and, eventually, a lifetime.

LAW 2: Your best round of golf will be followed almost immediately by your worst round ever. The probability of the latter increases with the number of people you tell about the former.

LAW 3: Brand new golf balls are water-magnetic. Though this cannot be proven in the lab, it is a known fact that the more expensive the golf ball, the greater its attraction to water.

LAW 4: Golf balls never bounce off of trees back into play. If one does, the tree is breaking a law of the universe and should be cut down.

LAW 5: No matter what causes a golfer to miff a shot, all his playing partners must solemnly chant "You looked up," or invoke the wrath of the universe.

LAW 6: The higher a golfer's handicap, the more qualified he deems himself as an

instructor.

LAW 7: Every par-three hole in the world has a secret desire to humiliate golfers. The shorter the hole, the greater its desire.

LAW 8: Topping a 3-iron is the most painful torture known to man.

LAW 9: Palm trees eat golf balls.

LAW 10: Sand is alive. If it isn't, how do you explain the way it works against you?

LAW 11: Golf carts always run out of juice at the farthest point from the clubhouse.

LAW 12: A golfer hitting into your group will always be bigger than anyone in your group. Likewise, a group you accidentally hit into will consist of a football player, a professional wrestler, a convicted murderer and an IRS agent -- or some similar combination.

LAW 13: All 3-woods are possessed by demons.

LAW 14: Golf balls from the same "sleeve" tend to follow one another, particularly out of bounds or into the water (See Law 3).

LAW 15: A severe slice is a thing of awesome power and beauty.

LAW 16: When they say "Nice lag," it usually means "Lousy putt." Similarly, "Tough break" usually means "Way to miss an easy one, sucker."

LAW 17: The person you would most hate to lose to will always be the one who beats you.

LAW 18: The last three holes of a round will automatically adjust your score to what it really should be.

LAW 19: Golf should be given up at least twice per month.

LAW 20: All vows taken on a golf course shall be valid only until the sunset.
