## News

Well, the afternoon had some interesting news. The Wuss Scribe Halpin with Anger Issues supposedly threw his back out and tried to play but didn't make it past the teebox on Hole #2. He was whining the whole time going down the first fairway and couldn't hit the ball more than 30 to 40 yards at a pop. Finally his partner told him to get out and that he was whining too much. Needless to say his partner had the anger issues that afternoon and Brian cowered down and gimped back to the clubhouse to go home and be the wuss that he was and put some Heat on it. Berube told him to stretch it out on the first tee, but Halpin said "I will not give up Sex for a month if I hurt my back anymore just to play 9 holes" So he decided to sit last week out.

Two wrongs do make a right: Velasco's (the inferior of the two Velasco golfers) group got the scoring wrong for a two on one match. But since they messed up the scoring on two holes, the final match points didn't change.

What beef does Peter Lee have with the union?

There was talk in the clubhouse that Peter hit into the group in front of him more than once. He was successful in taking out the union president, Dale, with one of those errant shots he claims he had.

For all the rain we got recently, the course was in very good shape. Hopefully we will have the Course and the Traps in better shape as we move through the Summer.

## Notes:

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

**Dues – Even though the dues are listed in the rules, they are repeated here as additional encouragement for you to pay on time!**

League dues for NUWC employees and NUWC retirees will be \$40/year, payment received before 1 May 2014. Payment increases to \$45.00 if received after 1 May 2014. Dues for NUWC Contractors will be \$45/year, payment received before 1 May 2014. Payment increases to \$50.00 if received after 1 May 2014. Contractors/Non –NUWC employees/retirees are required to pay the additional \$5.00 per year to match the Welfare & Recreation subsidy provided for NUWC members. Members are responsible for paying their own dues. Payments can be made to Barbara Keller (Treasurer) or to any other League Official. Make checks payable to "NUWC Golf League". Cash will also be accepted. Deadline for payments is 1 May 2014. **Please read the rules as there will be reduction in points penalties assessed to teams that have members who have not paid by this date. Additionally, members who do not pay by the date indicated are subject to removal as a member and will be placed on the Sub List.** Their position on the Team roster will be filled by the next eligible individual on the Sub List based upon membership criteria (frequency of filling in as a sub and handicap with respect to division roster spot needing to be filled). Team Captains are encouraged to ensure all Team Members pay their dues in a timely manner.

**1 Week for DUES People.**  
**Penalties and Raise in Dues will incur if you Don't Pay before May 1<sup>st</sup>.**

## **Slow Play Watch:**

Can't really single out an individual but it was slow out there especially for the later groups. We really need to make a concerted effort to keep our rounds under 2 ½ hours. **Please read the Pace of Play hints on the webpage which should help you out.** Really simple things can shave time off your round. We'd rather not be calling people out for slow play in the bully (but you know we will if forced to!!!!)

## **Interesting Tidbits**

### Crews fill in sinkhole in Central Florida

Repair crews filled in a sinkhole that opened between two houses in a sprawling Florida retirement community.

**THE VILLAGES, Fla.** — Repair crews filled in a sinkhole that opened between two houses in a sprawling Florida retirement community. The Villages Daily Sun reports the homes were vacant when the sinkhole, which was already under repair, expanded Saturday morning. Neighbors noticed the sinkhole was growing and alerted authorities. Officials say crews from a Tampa firm had been working on the sinkhole for about three weeks. A Older man was noticed with Golf clubs chipping buckets of balls into the sinkhole. He was hitting too many Chili Dippers. He may have been trying to get his game back. District Public Safety Battalion Chief Pete Carpenter says the sinkhole opened up and expanded under the foundations of both houses. Officials blocked off traffic Saturday as crews returned to assess the situation. Carpenter says the sinkhole was plugged by Saturday night.

**RONNIE CIRILLO, was that you near that Sinkhole with your golf Clubs?**

## **Joke of the Week**

### **"Blondes Golfing"**

Two young blonde women were playing golf at a foggy par three, and could see the flag, but not the green. Each hit their ball anyway. When they walked to the green, they discovered one ball about three feet from the cup, while the other ball somehow had gone directly in.

The blondes tried to figure out which ball belonged to who, since they were both using Titleist number threes. Unable to decide, they returned to the Club House and asked the golf pro for a ruling.

After hearing their story and congratulating them both on their superb shots under such adverse conditions the pro asked, "Okay, so who was playing the yellow ball"

## **Quote of the Week**

I can airmail the golf ball, but sometimes I don't put the right address on it.
