News

The Rumor is **True**, these are the Dates we were told we are playing the back nine.

29 May - League Play Day

26 June - Day of 1st Half Playoffs - No League Play

31 July - League Play Day

28 August - League Play Day

- Liz "Aces" Duguay fired a hole-in-one on #8 substituting for Michno this week, prompting Captain Berube to ask "Pete who?".
- Team 3 surged into first place this week with a 47 to 25 shellacking of Team 9. Berube and Velasco-The-Elder took 14 points in the A division, Sowersby and Griffin took 13 in the C division and the B&D groups took 10 points each. Apparently Griffin is embracing his recent retirement and "Every day's a Saturday!" mantra and thought his wife had let him out to play on the weekend for a change.
- It was ironic last night to hear Barbara Keller complain her opponents weren't giving putts. I say ironic because all her opponents these days are former partners of hers throughout the years who she taught not to give putts! Also at the end of her match Barb mentioned she doesn't like to lose prompting her partner to mention nobody likes to lose. Barbara's retort? "Yeah, but I REALLY don't like to lose!"
- Why was the Aker card so chewed up along the bottom when handed in? I heard a plausible story as to what happened but choose to believe Don's opponents chose to chew on the card vice bite their tongues throughout the round.
- Last night we heard a touching story in the clubhouse about a young man who received a text from his mother thanking him for the flowers he sent her for Mother's Day. However, as it turns out there is much more to this story as the young man was "freewheeling" at the urinal as he received and responded to the text on his iPhone. And you thought it was bad when the kids text at dinner? Subsequently the President and VP collaborated to relieve society of this serious problem. Their resulting intellectual property or IP (pronounced "I Pee") culminated in the invention of the iCrank™ (patent pending), an iPhone holder which offers a hand's free solution to the "texter on the go!" The hope is to save the consumer millions in lost iPhones to toilet water. Watch for its release at finer drugstores everywhere. Buy today and receive a free bottle of iSantizer™ (were there enough double entrees for everyone there? ;)
- Rumor has it the league will be playing the back nine several times this year at the request of GVCC. Stay tuned, there will be an announcement on this forthcoming.
- There were some great shots made out there tonight but none better than the Woodford Reserve they were pouring at the bar on the 19th.
- The first group finished their round in just under 2 hours last night. Why then did El Presidente who played in the last group have to suffer a 3.5 hour round? People you've got to start playing ready golf. This means not waiting for everyone else to hit their ball as you play down the fairway. Walk to your ball (taking care to mind those hitting behind you for safety), and then hit it when ready. You should only be waiting long enough for the golfers ahead of you to clear safely out of range before you can hit. The first group was fast because they had a "Squirrel on Crack" which is a nickname given to Barbara Keller by some GVCC members because she exemplifies the concept of ready golf. Barb never stops moving until she's on the green knowing it's harder to hit moving target. Save your chatting for the greens and the tee boxes and abstain on the fairways and we'll all play faster rounds.

Notes:

We don't have a clean & place policy even in the fairway. We have a roll in your own fairway policy. Rolling of the ball in the fairway within a few inches is allowed using your club only. To be clear, the only place you can clean your ball is once it's on the green unless conditions are poor and you and your opponents agree before the round begins to clean and place where this only applies in the fairway. In the rough it is **NEVER** OK to

fluff or clean & place a ball or to move it out of a divot. The rough is there to penalize you for not hitting the fairway. See the Etiquette and Local Rules @ http://ngloob.com/?page_id=340. If rainy or wet conditions exist, players will be notified if Lift-Clean-Place is in effect by the League President.

A reminder regarding drop situations. A good way to remember how many clubs you get in a drop situation is this: "1st one is free. The 2nd one you pay for." If you're getting free relief (e.g. cart path), you get one club length. If you're taking a penalty for something, you get 2 clubs. Remembering this will alleviate any kind of headache trying to remember how many clubs you get to use for your drop.

Captains should call/e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

Dues – All Paid up Finally.

Slow Play Watch:

UNSAT PEOPLE.

3.5 Hours for the last group is too long. Hit when the group in front is safely out of range. Get to your Ball and stop the stupid talking until you get to the next tee. Don't search for your Ball too long (1 minute or less). Look and if you don't see it Drop another. This will alleviate most of the time lapse.

Joke of the Week

Bad Eyesight

Bob wearily trudged into his house and laid down his bag of golf clubs. "How was your game, darling" asked his wife, Jane. "I was hitting the ball ok, but my eyesight's gotten so damn bad I couldn't see where the ball went." shrugged Bob.

"Well, you're 75 years old," said Jane. "You can't expect everything to be like it was. Why don't you take my brother Jimmy along" "But he's 85 and he doesn't even play golf any more" protested Bob. "But he's got perfect eyesight," Jane pointed out. "He can watch the ball for you."

So the next day Bob teed off with Jimmy looking on. He swung and the ball disappeared down the middle of the fairway. "Do you see it, do you see it" asked Bob in anticipation. "Yep!" Jimmy answered. "Well where is it" exclaimed Bob, peering off into the distance.

"I forgot," said Jimmy.

Quote of the Week

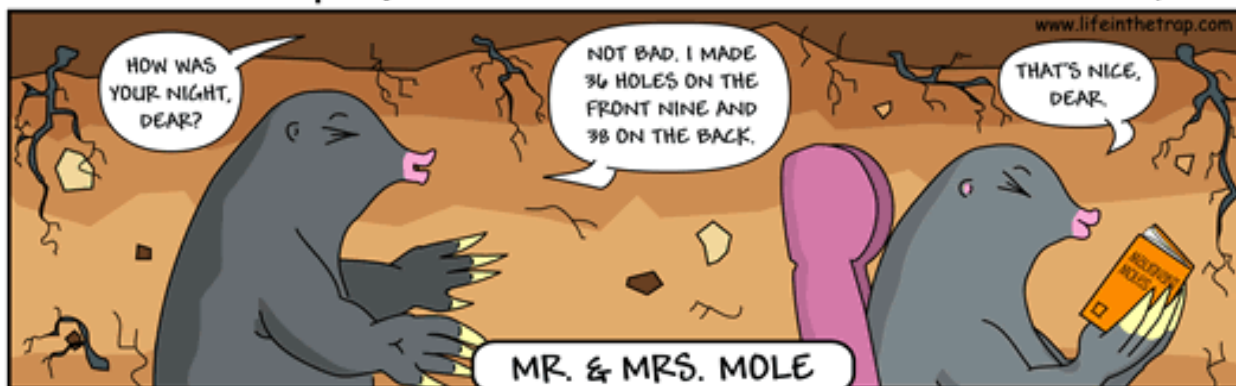

Golf is played by twenty million mature American men whose wives think they are out having fun.
