### **Birdie (or Better) Report:**

<b>Birdie Report</b>	
<u>Name</u>	<u>Hole Number</u>
Camara	4
Jackson	6
Linskey	8
Bertsch	4
Freeman	6

Linskey didn't have the greatest round but still managed to chip one in on 8.

## WEEKLY LOW SCORES:

LOW GROSS score for THIS WEEK: Bertsch, Velasco the Younger (38)

## LOW NET scores for THIS WEEK:

Group	Name	Team	Gross Score	Net Score
A	George Bertsch	2	38	30
B	Taylor Velasco	5	38	26
C	Bob Iriye	2	43	29
D	Bob Latourette	7	46	27

Taylor Velasco does it again, this week beating his 39 of last week with a 38 and outscoring the elder by 3 strokes. However, this week there was an absence of groupies at the 19<sup>th</sup>. Appears the elder is the one drawing them in! Romeo, you better play better next week! Others are counting on you!

## 2<sup>nd</sup> Half LOW SCORES:

LOW GROSS score for the SECOND HALF: Romeo Velasco (36)

## LOW NET scores for THE SECOND HALF:

Group	Name	Team	Gross Score	Net Score
A	Romeo Velasco	3	36	29
B	Taylor Velasco	5	39	26
C	Bob Iriye	2	43	29
D	Bob Latourette	7	46	27

**Note: Subs are ineligible for prizes**

Walsh's 30 in the C's didn't hold up more than a week after Bob Iriye came in with a gross 43, net 29. And Bob Latourette wasn't satisfied with his leading net score of 32 in the D's. He went out and shot a gross 46/net 27 to hold on to lead in the D's and make overtaking him that much more difficult! "Nice job" goes out to the Bobs!

## News

With the new and improved Team 8 on a Bye in week 11, Team 1 scored in the 40's for the 2<sup>nd</sup> straight week and took over the lead in the 2<sup>nd</sup> half led by John Brereton and Sub Marc Coffland taking 12.5 from Whittier and Zingarelli. Compared to Week 10, there were a lot more even matches this week. The only one that really stood out was the 15 to 3 shellacking of Wind and Walsh by GD Mellin and the bully headline theft, Taylor Velasco. Could Team 5 be making a move earlier this half? Team 3 remained in 3<sup>rd</sup> place and is hoping to get into the 2<sup>nd</sup> half playoffs after blowing their chance in the waning

weeks of the first half. Teams 4 and 9 are already battling for bragging rights of who will NOT come in last. Although Team 6 appears they may be ready to save both teams of that misfortune. Unfortunately having the last tee time didn't allow for me to pick up any fodder or stories for the bully this week as all were already off the 1<sup>st</sup> tee and not many remained at the 19<sup>th</sup>.

**!!!!!!!!!!!!!!!!REMEMBER – WE ARE PLAYING THE BACK 9 ON WEEK 12 JULY 24<sup>TH</sup>!!!!!!!!!!!!!!!!**

### **Notes:**

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

### **Slow Play Watch:**

Didn't hear anything but then again, I had the last tee time which always takes long. Have league members finally started reading the pace of play helpful hints?

### **Joke of the Week**

#### **Just Think...**

Negotiations between union members and their employer were at an impasse. The union denied that their workers were flagrantly abusing their contract's sick-leave provisions.

One morning at the bargaining table, the company's chief negotiator held aloft the morning edition of the newspaper, "This man," he announced, "called in sick yesterday!"

There on the sports page, was a photo of the supposedly ill employee, who had just won a local golf tournament with an excellent score.

The silence in the room was broken by a union negotiator. "Wow," he said. "Just think of what kind of score he could have had if he hadn't been sick!"

### **Quote of the Week**

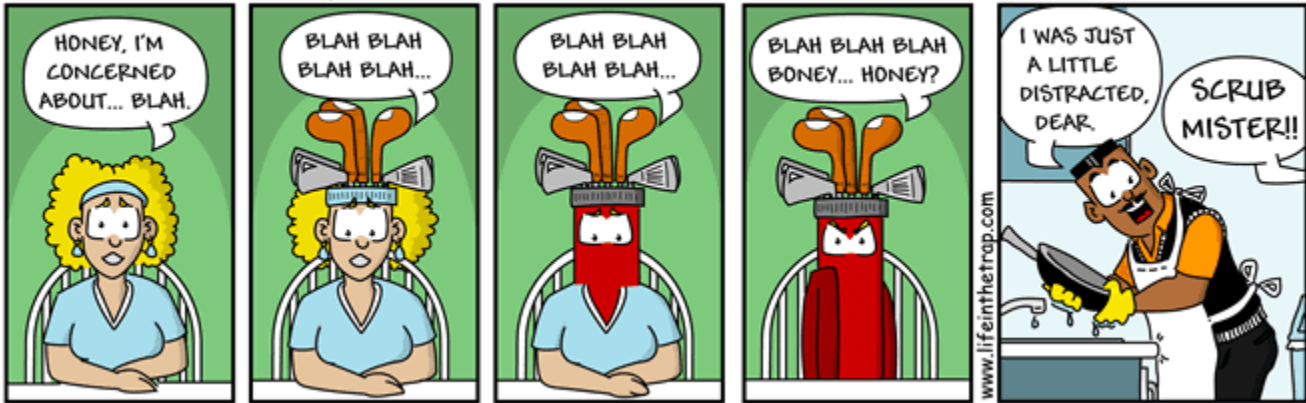

“I guess there is nothing that will get your mind off everything like golf. I have never been depressed enough to take up the game, but they say you get so sore at yourself you forget to hate your enemies.”

~ Will Rogers
