

Fundraiser for local Portsmouth Family

Dear Friends,

I'm writing to request your help, with an urgent appeal for donations.

My good friend Lou Krzych has been diagnosed with of all things "Lou Gehrig's disease" or ALS. As you can imagine this is a devastating diagnosis for Lou and his family. ALS has no known cure and a fatal prognosis with only a 2-5yr life expectancy.

Many in our small Portsmouth community probably already know Lou as one of the nicest and friendliest people around. Lou earned his electrical engineering degree at Arizona State University (where he also met his beautiful wife, Maja) and has most recently been working, for the last decade and a half, at the Naval Undersea Warfare Center (NUWC). This dedicated Sun Devil loves watching and talking sports particularly college football (especially ASU football!) He also played a mean game of golf (until recently), having won the NUWC golf tournament several times. In my opinion though, the most impressive aspect of Lou's multifaceted personality, is the consummate family man that he is - prioritizing most of his free time to his family. Whether coaching his 2 daughter's soccer teams, cooking magnificent dinners or taking the family (including their dog, Daisy) hiking - his main focus in life has always been his family. Since his diagnosis only a few short months ago, he is now having trouble doing all of these things. He has lost the use of his left arm and is struggling to maintain his walking capacity at this time (although I'm sure not even ALS can quite take the Sun Devil out of him).

Please help Lou and his family by supporting The Gas Lamp Grille's annual golf tournament where proceeds will go directly to helping Lou and his family cope with the tremendous financial burden this condition has thrust upon them. There are medical costs for "experimental" treatments which will not be covered by insurance, there are costs for needed help just taking care of things we might take for granted such as weeding the garden, mowing the lawn, cleaning the house, shopping etc. He will require home health aids, home modifications for ramps, assistive devices, etc.

We are in need of raffle prizes, silent auction items, and players for the tournament. Please see details below for how to sign up a team for the tournament, as well as how to donate if unable to participate.

The Golf Tournament is Mon. Oct. 2 at Wanumetonomy Golf Club, 152 Browns Lane, Middletown, RI. w/ a Noon shotgun start, and includes lunch at the course and Dinner back at the Gas Lamp Grille, 206 Thames St., Newport. Tickets for just the dinner/silent auction are available. See attached flyer for all details.

To register to play in the tournament, donate a raffle or silent auction prize, or even volunteer your time, please email Brian at this address Info@GasLampGrille.NECoxmail.com

Thank you so very much in advance for your generosity that will help this wonderful family now facing its worst nightmare.

Sincerely,

Andrew Mazur, M.D
