

NUWC Golf Employees League Bulletin 1st Half Week #4 2 May, 2019

Dues Reminder – NGL Regular Members must pay by this May 9 (that’s this week for retirees who don’t keep track of what day it is or for those who are calendar challenged) if you do not want to pay more and incur penalties that will impact your team!!

Well after the first 4 weeks of the first half, Timmy and the Lords of the Underworld (a.k.a Team 5) still hold the lead and are undefeated in matches thus far this year. Although if they end up in first place for the first half, it is expected that many teams will file an objection due to on course interference by team 5 members (walking over opponents putt lines, strategically walking within the peripheral vision of opponents while they were on their backswing, talking while their opponents were taking their shots, and more!) therefore impacting progress of several other teams. Like the Kentucky Derby, could this be the first time ever for a disqualification of the number One seed in the playoffs? We’ll see how this evolves.

Team 9 soared into 2nd place with a 44.5 – 27.5 thumping of Team 2 led by Zingarelli taking 13.5 points from Donovan and Brassil and Schwab and Dandrea beating up on Caldwell 11.5 – 6.5. Team 4 beat up on Team 7 by the score of 40-32 and now has made it at least a three team race for 2nd place and a playoff spot. Apparently, Team 7’s Harnois doesn’t play with others as he and his team mate Velasco could only squeak out a 9-9 tie in the A division when in previous weeks, Crooked Ray smoked his opponents when playing solo. Fred Green certainly helped out Team 4’s chances by taking 12 against Griffin and Izzi (and Fred was not acknowledged on the web page for being high scorer in the D’s this week – guess Noah beat him out with 6.5 points). So while Teams 9, 7, and 4 have a chance of moving into 1st place with 5 weeks to go, it is more probable that they are battling for 2nd. Team 8 is also not that far behind so don’t count them out! Team 3 doesn’t appear that they will recover from the forfeit of a few weeks but could still save their pride by moving out of the cellar and overcoming Team 2 and getting 8th place.

There appears to be a problem with the programming on the web page in determining low net for the week. The webmaster is good but sometimes he is overconfident in his programming skills and needs to be informed of the bugs. For this week, Schwab and Nassaney led the way with net 37 in the A’s, Maitland (a sub) should have been added for low net in the B’s, Sean Creamer and Charlie Walsh were the only ones with a net 36

in the C's and Fred Green had the low net in the D's with a net 36. Sorry for the confusion.

There were no good stories provided to the scribe this week so every once in a while the Scribe must shame himself. Several times in the past, the scribe had left a club on one of the holes. But last week he took it to a new level.....Leaving his entire set of clubs on his cart and then driving home without them. I assure you alcohol was not involved and it looks like the scribe is simply a dumbass.

Notes:

Captains should e-mail the handicapper, Pete Michno, no later than 1100 Thursday to give their line-ups. However, I'm sure the handicapper would appreciate Captains providing the line-ups earlier if you have them set. 1100 on Thursday should be the exception, not the rule.

Captains should inform all retirees and non-NUWC members on their teams to use the website for all League information.

FINAL WARNING ON DUES – Even though the dues are listed in the rules, they are repeated here as additional encouragement for you to pay on time! You must pay by this May 9 if you do not want to incur penalties!!

League dues for NUWC employees, contractors and NUWC retirees will be \$40/year, payment received before 9 May 2019. Payment increases to \$45.00 if received after 9 May 2019. Members are responsible for paying their own dues. Payments can be made to any League Official. Make checks payable to "NUWC Golf League". Cash will also be accepted. Deadline for payments is 9 May 2019. **Please read the rules as there will be reduction in points penalties assessed to teams that have members who have not paid by this date. Additionally, members who do not pay by the date indicated are subject to removal as a member and will be placed on the Sub List.** Their position on the Team roster will be filled by the next eligible individual on the Sub List based upon membership criteria (frequency of filling in as a sub and handicap with respect to division roster spot needing to be filled). Team Captains are encouraged to ensure all Team Members pay their dues in a timely manner.

Slow Play Watch:

I think things went pretty smooth. With the 3:18 tee time, I finished in about 2.5 hours and left early so not sure about later tee times.

Joke of the Week

Fifty Shades of Golf

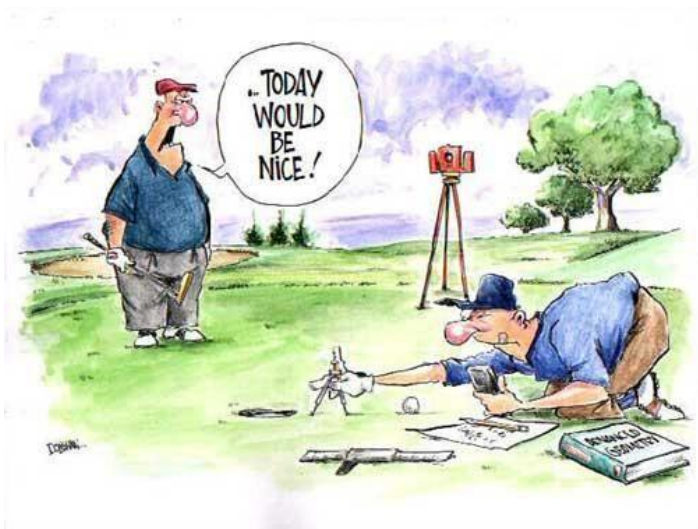

Four guys have been going on the same golfing trip to St Andrews for many years..

Two days before the group is to leave, John's wife puts her foot down and tells him he isn't going. John's mates are very upset that he can't go, but what can they do. Two days later, the three get to St Andrews only to find John sitting at the bar with four drinks set up! "Wow, John, how long you been here, and how did you talk your Missus into letting you go?" "Well, I've been here since last night... Yesterday evening, I was sitting in my living room chair and my wife came up behind me and put her hands over my eyes and asked, 'Guess who?' I pulled her hands off, and there she was, wearing a nightie. She took my hand and pulled me into our bedroom. She's been reading '50 Shades of Grey' and the room had candles and rose petals all over. On the bed she had handcuffs, and ropes! She told me to tie her up and cuff her to the bed, so I did. Then she said, "Do whatever you want. So, here I am!"

Quote of the Week

"I never found golf interesting, but then I learned that's just where people go to let go of their anger" ~ Unknown

Golf Cartoon of the Week

This could be many NUWC engineers in the league!

Great Picture of the Week
